

Builder Agent Network Announces New Package Policy for Home Builders

News Release • Tuesday, July 21, 2010

DALLAS, TX—July 21, 2010- The Builder Agent Network, emerging as a leading provider of insurance programs for home builders throughout Texas, has announced the expansion of their offerings available to Texas home builders and general contractors. Builder Agent Network (BAN) is a Managing General Agent for several insurance companies and works through a network of approved agents that have met stringent requirement guidelines and have extensive knowledge of the building industry. The exclusive property and liability insurance products are available to home builders and light commercial general contractors through this network of experienced agents.

The new BAN package policy includes:

- General liability with optional GL enhancement endorsement (including but not limited to: blanket additional insured, primary & non-contributory, incidental medical malpractice, knowledge of occurrence);
- Property (building and/or office contents) with property enhancement endorsement (including but not limited to: outdoor signs, fine arts, personal effects of others, valuable papers, computer fraud, sewer & drain backup, non-owned detached trailers);
- Hired and non-owned automobile liability;
- Crime – including, but not limited to: employee dishonesty, forgery/alteration, theft of money and securities;
- Inland marine – including, but not limited to: contractors equipment, employees tools, installation floater, EDP;
- Employee benefits liability.

About Builder Agent Network

Founded in 2008, Builder Agent Network is the managing general agent for selected carriers offering insurance products to a group of preferred agents specializing in meeting the insurance needs of the Texas residential and commercial builder. Qualifications for the group include years of experience with the home building trade and a commitment to the industry for which they serve. For more information about Builder Agent Network, contact Kaycie Berley at kberley@hiallc.com or by phone at (972) 512-7776.
